MODIFICATION OF THE RFP AND ITS APPENDICES

Pursuant to clause 5.1 of the ITB and in accordance with the principles of transparency, equal treatment of BIDDERS and proportionality, the COMPANY modifies and updates the BIDDING DOCUMENTS by removing certain requirements to provide evidence that the EPRs are not subject to exclusion grounds, and by introducing modifications to clarify the COMPANY's requirements in respect of the use of EPRs and fulfilment of the conditions for participation. The following provisions have been amended: the definition of EPR; clauses 9.5 and 9.7 of the ITB; points 9,10 and 11 of Appendix 1 to the ITB; point 1.6 of Table I; and points 1, 2.1 and 2.6 of Table II of Appendix 2 to the ITB.

In addition, the COMPANY publishes new binding versions of the RFP, Appendices 1 and 2 to the ITB and Appendix F9 to the REQUEST, which reflect the consequences of the above modifications and align the content of Appendix 1 to the ITB with the possibility that BIDDERS may participate in the procedure as a consortium.
