

 NATIONAL RECOVERY PLAN	 Republic of Poland	Funded by the European Union NextGenerationEU   BANK GOSPODARSTWA KRAJOWEGO
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX	

Appendix A1

List of Documentation

  Republic of Poland   BANK GOSPODARSTWA KRAJOWEGO	
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX

CONTENTS

1	Appendices group A – STAGE I	3
2	Appendices group B – STAGE II	5

	 Republic of Poland  Funded by the European Union NextGenerationEU	 BANK GOSPODARSTWA KRAJOWEGO
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX	

1 Appendices group A – STAGE I

No	Title
A1	List of Documentation
A2	Definitions, abbreviations, indications, units and symbols
A3	Scope and Limits of the subject of the BID
A3.1	Base Map for Information Purposes
A3.2	Geological Study
A3.3	Land Development Plan
A3.4	Greenery inventory
A3.5	Sapper documentation
A3.6	Battery Limits
A4	Data and design assumptions for the subject of the BID
A4.1	MSW Reference Feedstock
A4.2	GATE preliminary architectural concept
A4.3	Concept of administration building
A4.4	Preliminary electricity connection conditions
A5	Technical solutions for the subject of the BID
A6	Warranties
A6.1	List of GUARANTEED TECHNICAL PARAMETERS
A7	Architectural requirements
A8	ORLEN S.A. Standards
A9	Construction standards for building objects
A10	Empty
A11	Empty
A12	Empty
A13	Acceptance procedures
A14	Division of responsibilities
A15	Training

  Republic of Poland  Funded by the European Union NextGenerationEU  BANK GOSPODARSTWA KRAJOWEGO	
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX

A16	Documentation
A16.1	Documentation – PDP + LF scope
A17	Specialist maintenance equipment and tools
A18	Empty
A19	CONSTRUCTION WORKS and assembly works
A20	Health, safety, fire protection requirements

	 Republic of Poland 	 BANK GOSPODARSTWA KRAJOWEGO
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX	

2 Appendices group B – STAGE II

Documents prepared by CONTRACTOR on Stage II

No	Title
B1	Regulations, explanations, norms, standards
B2	Technical specification of the subject of the CONTRACT
B2.1	Utilities consumption and energy consumption to fill by Contractor
B3	CONTRACT EXECUTION SCHEDULE
B4	Quality Assurance & Control Program
B5	SUBCONTRACTORS
B6	Drawing part of the BID
B7	Preliminary WORK ORGANISATION PLAN
B8	Information on the manner of execution of DELIVERIES, CONSTRUCTION WORKS and assembly works and services
B9	Technical data of EQUIPMENT and installations
B9.1	Devices and EQUIPMENT data table
B9.2	Streams and pipelines to B.L. data table
B9.3	List of catalysts, adsorbents, chemicals
B10	GUARANTEED TECHNICAL PARAMETERS of the UNITS
B11	List of BIDDER'S compliance declarations to the ORDERING PARTY requirements
B11.1	Statement 1 to Appendix B11 (Declaration of execution of the full scope of work described in SETC)
B11.2	Statement 2÷4 to Appendix B11 (Confirmation for fulfilment of process performance guarantees)
B12	Summary of deviations from the ORDERING PARTY'S requirements contained in the SETC, as proposed in the BID
B13	Compliance with environmental protection requirements
B14	Meeting the requirements in the field of OHS and process safety and fire protection

  Republic of Poland  Funded by the European Union NextGenerationEU  BANK GOSPODARSTWA KRAJOWEGO	
	Specification of Essential Terms of Contract for the task: WASTE-TO-HYDROGEN COMPLEX
