IV. COMMERCIAL OFFER - COMMERCIAL CRITERIA

The commercial offer must contain all the elements required in the commercial part on Connect platform.

The pricing formula in acc. with Attachment No. 2 based on:

Price for esters [USD/mt] = 100% Platts FAME-10 RED low Quotes [USD/mt] + Premium/Discount [mt] + Additive Costs [mt] + Transport Costs [mt]

Please quote:

1. Components of pricing formula specified in commercial part
2. Offered based volume in tonnes per product and entity
3. Offered volume flexibility in Buyer option: expected +/-30%
4. Payment term: expected 60 days after delivery month
5. GHG emission: it is expected that the Bidder will determine the maximum guaranteed GHG emission expressed in g CO₂ eq/MJ and min. annual weighted average GHG reduction level in % for the European Union.
6. Feedstocks to be used in FAME production per product and entity.

The tender currency is **USD**. Currency for settlement of payments USD / PLN (ORLEN) or USD / EUR (ORLEN Lietuva and ORLEN Unipetrol).

The subject of the bid evaluation is the **DDP price**, which consists of quotations, premium, transport cost, cost of money over time resulting from the payment term. Please note that the payment term affects the value of your bid.

The value of maximum **GHG emissions** and volume flexibility, among other commercial parameters, will affect the attractiveness of the offer and the company's ranking in Supplier selection with the caveat that **the final shape of regulations to be adopted in Poland may erase emission target altogether**.

V. THE VALIDITY OF THE OFFER

Bidders are asked to confirm the validity of the offer until **15.12.2026**.

During the offer validity period, the offer is irrevocable, Bidder is not allowed to withdraw the offer and/or modify the offer to the detriment of Buyer. Modification to the detriment of Buyer is in particular reduction in volume and/or increase in price.

VI. DEADLINE FOR SUBMISSION OF OFFERS

Bidders may submit offers until **05.10.2026, at 1:00 p.m.** (Polish time).
